INDEPENDENT AUDITORS' REPORT

Board of Directors
Associated Students, Incorporated
California State University, San Bernardino
San Bernardino, California

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Associated Students, Incorporated of California State University, San Bernardino (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Associated Students, Incorporated of California State University, San Bernardino, as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Associated Students, Incorporated of California State University, San Bernardino and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Students, Incorporated of California State University, San Bernardino's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Associated Students, Incorporated of California State University, San Bernardino's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Students, Incorporated of California State University, San Bernardino's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinion on the financial statements as a whole. The schedule of net position, the schedule of revenues, expense, and changes in net position, and other information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 12, 2022, on our consideration of Associated Students, Incorporated of California State University, San Bernardino's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Associated Students, Incorporated of California State University, San Bernardino's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Associated Students, Incorporated of California State University, San Bernardino's internal control over financial reporting and compliance.

NOTE 1 DESCRIPTION OF ACTIVITIES

Associated Students, Incorporated, CSUSB (ASI) was formed for the purpose of providing to students essential social and recreational activities related to, but not normally included in, the University instructional program. These activities are primarily funded by fees charged to students each quarter. Tickets to local events are offered to students at cost by the ASI box office.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

ASI prepares its financial statements on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205. Accordingly, information regarding financial position, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of ASI and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations, and which may be designated for specific purposes by action of the Board of Directors.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022
(WITH COMPARATIVE TOTALS FOR JUNE 30, 2021)

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting (Continued)

Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities, other than endowment and similar funds, are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets; net assets released from restrictions.

Cash and Investments

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid investments with a maturity of three months or less from date of purchase. ASI maintains its cash balances in one financial institution. The Federal Deposit Insurance Corporation (FDIC) insures up to \$250,000 per depositor, per insured bank, for each account ownership category. These balances may at times exceed the FDIC limit. As of June 30, 2022, ASI is under the limit of FDIC coverage.

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. The fair value of investments in securities is based on the quoted market price of the underlying securities. Investments in real estate are stated at acquisition cost. Unrealized gains and losses are included in the change in net assets. Short-term investments consist of debt securities with original maturities of 12 months or less. Long-term investments consist of debt securities with original maturities greater than twelve months.

Financial Instruments

The carrying amount of all financial instruments approximates fair value. The carrying amounts for cash and cash equivalents, investments, accounts receivable and accounts payable approximate fair value because of the short maturity of these instruments.

Accounts Receivable

Accounts receivable are primarily from student fees. Receivables are recorded when a student registers for courses and are presented in the statement of financial position net of the allowance for doubtful accounts. Accounts receivable are written off when they are deemed to be uncollectible. Any allowance for doubtful accounts is based on historical loss experience. There was no allowance for doubtful accounts as of June 30, 2022.

Inventory

Inventory is valued at the lower of cost or net realizable value, determined on the first-in, first-out basis.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Equipment and Furniture

It is the policy of ASI to capitalize equipment, furniture, and fixture additions over \$5,000. Equipment and furniture are stated at cost and depreciation is calculated using the straight-line method over the estimated useful lives. Total depreciation expense for the year ended June 30, 2022 was \$5,363.

Program Fees

The student body fee is a mandatory fee required to enroll or attend the University. Any student body fees earned by the University during the year, net of waivers and allowance for doubtful accounts are transferred over to ASI to fund student programming and provide essential activities closely related but not normally included as part of the regular instructional program.

Designated Net Assets

Designated net assets include amounts set aside for emergency, administrative, equipment, and operational reserves as required by the California State University Manual of Policies and Procedures for Auxiliary Organizations.

Expense Allocation

The cost of providing various programs and other activities has been summarized on a functional basis in the statement of activities. Directly identifiable expenses are charged to relevant programs and supporting services. Indirect expenses are allocated to the programs on various bases established by management.

Income Tax Status

ASI is exempt from federal income taxes as a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. A comparable exemption has been granted by the state of California for ASI's Form 990, Return of Organization Exempt from Income Tax.

Subsequent Events

Management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued.

NOTE 3 INVESTMENTS AND FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

SWIFT Investment Pool: The pool investment is reported at fair value as provided by the University System.

LAIF Investment Pool: The pool investment is reported at fair value as reported by the State.

(WITH COMPARATIVE TOTALS FOR JUNE 30, 2021)

NOTE 3 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although ASI believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at June 30, 2022 are as follows:

Type	Fair Value	Fair Value Measurements at June 30, 2022		
		Level 1	Level 2	Level 3
SWIFT Investments	\$ 936,820	\$ -	\$ 936,820	\$ -
LAIF	1,005,681	-	1,005,681	-
Total investments	<u>\$ 1,942,501</u>	<u>\$ -</u>	<u>\$ 1,942,501</u>	<u>\$ -</u>

ASI has pooled investments with the State of California State Treasurer’s Local Agency Investment Fund (LAIF). LAIF is a governmental investment pool managed and directed by the California State Treasurer and is not registered with the Securities and Exchange Commission. An oversight committee, comprised of California State officials and various participants, provides oversight to the management of the fund. The daily operations and responsibilities of LAIF fall under the auspices of the State Treasurer’s office. ASI is a voluntary participant in the investment pool.

ASI relies upon information provided by the State Treasurer in estimating the fair value position of its holdings in LAIF. ASI’s holdings in LAIF had a value of \$1,002,881 as of June 30, 2022. LAIF is not subject to a credit quality rating.

ASI has pooled investments with the CSU Systemwide Investment Fund Trust (SWIFT). As a result of a 2007 change in Education Code 89721(l) that allowed CSU to self-manage student tuition and fees, CSU created a central banking system and created the SWIFT investment portfolio for the purpose of enhancing centralized cash and investment management. Because the central banking system and SWIFT are inextricably linked, each member in the central banking system is also a member in SWIFT, also referred to collectively as The Bank of CSU. These funds are reported as a short-term investment. The SWIFT consists of investments of cash on an overnight and/or short-term basis, the funds representing the float on funds collected from all eligible sources prior to their use for payment of accounts payable and payroll. Excess cash over and above what is needed to fund short-term payables and payroll are transferred to medium or longer term investments.

ASI relies upon information provided by the SWIFT in estimating the fair value position of its holdings in it. ASI’s holdings in SWIFT had a value of \$936,820 as of June 30, 2022.

NOTE 4 LEASING ARRANGEMENTS

ASI, as lessee, has a lease agreement with the Student Union for exclusive use of a suite of offices including rooms 108, A through P. The leased space consists of approximately 2,200 square feet. Provisions of the lease agreement include annual payments of \$1 through June 30, 2022. However, ASI has to bear the expense for janitorial/custodial costs. The lease may be terminated by either party giving 30 days written notice to the other party.

ASI, as lessee, also has a lease agreement with the Palm Desert Campus for an office in the Indian Wells Center for Education Excellence Building. Provisions of the lease agreement include annual payments of \$-0- through June 30, 2022. The lease may be terminated for a variety of reasons set forth in the agreement or by either party giving written notice to the other party. Total rent expense inclusive of janitorial/custodial costs for the year ended June 30, 2022 was \$500.

NOTE 5 LOAN PAYABLE

In April 2020, ASI received a loan from Central Pacific Bank in the amount of \$135,880 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the Paycheck Protection Program (the PPP Loan). The original loan agreement was written prior to the PPP Flexibility Act of 2020 (June 5) and was due over 24 months deferred for six months. The PPP Loan had interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, had a term of two years, and was unsecured and guaranteed by the U.S. Small Business Administration. ASI paid the loan in full during April 2021.

NOTE 6 RELATED PARTY TRANSACTIONS

ASI is an auxiliary organization of California State University, San Bernardino (CSUSB). CSUSB advances funds on behalf of ASI, all of which are considered current, and it provides accounting services to ASI. Also, the CSUSB Foundation provides services for the benefit of ASI's employees. ASI leases its office space from the Student Union as described in Note 4. ASI also co-sponsors events and activities with the Student Union for which ASI reimburses some of the expenses incurred by the Student Union.

A schedule of related party transactions between ASI, University, and other auxiliary organizations is as follows:

NOTE 7 DEFINED-BENEFIT PENSION PLAN

Plan Description

ASI contributes to CalPERS, a cost-sharing multiple-employer public employee defined-benefit pension plan. CalPERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. CalPERS acts as a common investment and administrative agent for participating public entities within the State of California. A menu of benefit provisions, as well as other requirements, is established by State statutes within the Public Employees' Retirement Law. ASI selects optional benefit provisions from the benefit menu by contract with CalPERS. CalPERS issues a separate comprehensive annual financial report. Copies of CalPERS' annual financial report may be obtained from the CalPERS's website, at www.calpers.ca.gov.

Funding Policy

Participants are required to contribute 5% of their annual covered salary. ASI is required to contribute the actuarially determined remaining amounts necessary to fund the benefits for its members. The actuarial methods and assumptions used are those adopted by the CalPERS Board of Administration. The required employer contribution rates for the fiscal year 2020-21 were 11.3% and 7.73% for Classic CalPERS members and PEPRCA CalPERS members, respectively. The contribution requirements of the plan members are established by State statute, and the employer contribution rate is established and may be amended by CalPERS.

Annual Pension Cost

For the year ended June 30, 2022, Employer contributions of \$30,305 for CalPERS were equal to ASI's required contributions. Total employee contributions were \$17,475.

The following table presents a reconciliation of the net pension liability:

NOTE 8 OTHER POSTEMPLOYMENT BENEFITS

ASI has a fully funded Supplemental Retirement Benefit Plan that provides medical benefits to retired employees and their dependents. Medical plan assets are accumulated and benefits are paid from a voluntary employees' beneficiary association (VEBA) trust established by the trustee of the Auxiliaries Multiple Employer VEBA. ASI currently pays the full medical plan premium for employees and their dependents not to exceed caps based on the level of coverage. Retiring employees age 50 or older with at least 5 years of service are eligible for benefits provided they elect to commence their retirement benefit within 120 days of their retirement date. At June 30, 2022, ASI has \$793,619 in plan assets invested in an irrevocable trust.

Disclosures about the Plan, based on an independent actuarial valuation as of June 30, 2021 (the latest required valuation date), are shown below:

Change in accumulated postemployment benefit obligation (APBO)

APBO at beginning of year	\$ 727,944

The assumptions used in the measurement of ASI's benefit obligation and net periodic postemployment benefit cost included a 2.90% weighted-average discount rate as of and for the year ended June 30, 2022. The 4.40% discount rate represented a 1.50% increase from the 2.90% weighted-average discount rate used for as of and for the year ended June 30, 2021.

Medical plan premiums and CalPERS minimum employer contributions are assumed to decrease at rates shown in the following table:

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Associated Students, Incorporated
California State University, San Bernardino
San Bernardino, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Students, Incorporated of San Bernardino, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 12, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the ASI's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ASI's internal control. Accordingly, we do not express an opinion on the effectiveness of ASI's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ASI's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
