The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

NB: This transfer plan presumes students enter with the proposed new 10053 ADT in Music Industry. For students who enter with the traditional 10051 ADT in Music, then they will not need to take the applied instruction and MUS 2130/2135: Theory/Musicianship courses, but will need to take MUS 1270: History of Electronic Music and MUS 2670: Sound Recording.
