* The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Helpful Tips

- If your pending financial aid is less than you expected:
 1. Did you accept your **Federal Direct Loans**? Loans must be accepted to show under pending financial aid
 2. Are you receiving a **stipend**? In some cases, stipends will not show under pending financial aid as these funds go directly to the student. If this is the case, you will need to make a payment to cover that balance on or before the tuition and fees due date
 3. Other questions? Please contact the **Office of Financial Aid and Scholarships** at financialaid@csusb.edu
