22. What are your intended Process Outcomes and/or Student Learning Outcomes?
"Process Outcomes" describe the improvements you expect to see as a result of changes to existing offerings, approaches, or processes in your office operation. Examples of these types of outcomes include: increased student use of your services, increased student satisfaction with your services, reduced waiting time for appointments, increased attendance at your events, reduce error rates, etc.
"Student Learning Outcomes" describe the knowledge, skills, or behaviors that you intend for students to acquire as they interact with your program/office.

23. Assessment Plan and Key Performance Indicators (KPI) (Measurable/Verifiable)
(Please note Measure(s) 1 below will provide evidence for Outcome 1
above and so forth)
24. In the spirit of transparency, we want to ensure students are aware of the various ways in which their Student Success Initiative fees are being used to support them at CSUSB. If awarded, how do you intend to publicize or make students aware of your project's SSI funding source?
